

KMV 250

The Crius 250 is the Sportsman's favorite tool. It has the largest and most versatile engine in its class with a broad power band and tons of midrange torque.

This lightweight sport-utility is engineered for a comfortable ride even when conditions get uncomfortable. With a fantastic 5 speed with automatic clutch transmission, the rider never has to worry about fumbling with a clutch when traversing the Crius through its terrain.

The KMV 250 Crius is perfect for the tough job around the house, farm or Sportsman's trip.
